- **Daisies** - Daisies are a classic botanical design that is perfect for beginners. They're simple to stitch, and they can be used to create a

variety of different projects.

- **Sunflowers** - Sunflowers are another popular botanical design that is perfect for beginners. They're a bit more complex than daisies, but they're still relatively easy to stitch.
- **Leaves** - Leaves are a great way to add a touch of nature to your embroidery projects. They're simple to stitch, and they can be used to create a variety of different effects.

Intermediate Designs

Once you've mastered the basics of botanical embroidery, you can start to try some more intermediate designs. These designs are typically more complex than beginner designs, but they're still achievable with a little practice.

- **Roses** - Roses are a beautiful and classic botanical design that is perfect for intermediate embroiderers. They're a bit more complex to stitch than daisies or sunflowers, but they're worth the effort.
- **Lilies** - Lilies are another beautiful and elegant botanical design that is perfect for intermediate embroiderers. They're a bit more complex than roses, but they're still achievable with a little practice.
- **Butterflies** - Butterflies are a great way to add a touch of whimsy to your embroidery projects. They're a bit more complex to stitch than leaves, but they're still achievable with a little practice.

Advanced Designs

If you're an experienced embroiderer, you may want to try some more advanced botanical designs. These designs are typically very complex and

require a high level of skill to stitch. However, they can be absolutely stunning when they're finished.

- **Peonies** - Peonies are a beautiful and complex botanical design that is perfect for experienced embroiderers. They're very detailed and require a high level of skill to stitch.
- **Orchids** - Orchids are another beautiful and complex botanical design that is perfect for experienced embroiderers. They're very delicate and require a high level of skill to stitch.
- **Birds** - Birds are a great way to add a touch of nature to your embroidery projects. They're very detailed and require a high level of skill to stitch.

Mix and Match Designs

One of the great things about botanical embroidery is that you can mix and match different designs to create your own unique projects. For example, you could combine daisies and sunflowers to create a summery design, or you could combine roses and lilies to create a more elegant design.

There are endless possibilities when it comes to mixing and matching botanical embroidery designs. So get creative and experiment with different designs to create your own unique works of art.

Botanical embroidery is a beautiful and versatile art form that can be used to create stunning works of art. Whether you're a beginner or an experienced embroiderer, there are many different botanical designs that you can try. So get creative and start stitching today!
