Edited by John Pimlott, one of the world's leading experts on terrorism, the encyclopedia provides in-depth coverage of terrorist groups and attacks from around the world. With over 1,000 entries, it is the most comprehensive reference work on terrorism available.

The encyclopedia is divided into four main sections:

- **Definitions and Theories of Terrorism:** This section provides an overview of the different definitions of terrorism and the various theories that have been developed to explain it.
- **Historical Terrorism:** This section examines the history of terrorism, from its origins in the 19th century to its present-day manifestations.
- **Contemporary Terrorism:** This section provides a detailed analysis of the current state of terrorism, including the different types of terrorist groups, their motivations, and their strategies.
- **Counter-Terrorism:** This section examines the different strategies that have been developed to combat terrorism, including law enforcement, military action, and intelligence gathering.

The Encyclopedia of World Terrorism is an essential resource for anyone seeking to understand this complex and ever-evolving threat. It is a valuable tool for researchers, policymakers, and anyone else who wants to stay informed about the latest developments in terrorism.

## Key Features
