To make a fleece blanket, you will need the following materials:

- 1 yard of fleece fabric
- Scissors
- Sewing machine
- Thread

To make a no-sew blanket, you will need the following materials:

- 1 yard of fabric
- Fabric glue
- Scissors

Fleece Blanket

1. Cut two pieces of fleece fabric to the desired size of your blanket.
2. Place the two pieces of fabric right sides together and sew around the edges, leaving a 4-inch opening for turning.
3. Turn the blanket right side out and press the seams.
4. Topstitch around the edges of the blanket to secure the seams.

No-Sew Blanket

1. Cut two pieces of fabric to the desired size of your blanket.
2. Apply a thin line of fabric glue to the edges of one piece of fabric.
3. Place the other piece of fabric on top of the fabric glue and press down firmly.

4. Allow the fabric glue to dry completely.

- To make a thicker blanket, use multiple layers of fabric.
- To add a personal touch, embroider or appliqué your child's name or favorite design on the blanket.
- If you don't have a sewing machine, you can hand-sew the blanket.
- If you don't want to use fabric glue, you can use a needle and thread to sew the blanket.

Making a blanket for your child is a fun and easy way to show them how much you love them. With just a few simple materials, you can create a one-of-a-kind gift that will be cherished for years to come.
