The essays in this collection cover a wide range of topics, from the history of knitting to the role of knitting in contemporary culture. We explore the ways that knitting has been used to express personal identity, to connect with others, and to make a difference in the world.

The interviews in this collection feature some of the most innovative and inspiring knitters working today. We learn about their creative processes, their inspirations, and their hopes for the future of knitting.

The reviews in this collection cover a variety of knitting books, patterns, and yarns. We provide our honest opinions on each product, so that you can make informed decisions about your next knitting project.
