Collins Easy Learning KS2 is a home learning program that is designed to help children learn the skills they need to succeed in school. The program is divided into four sections:

- **English:** This section covers reading, writing, spelling, and grammar.
- **Maths:** This section covers number, measurement, geometry, and algebra.
- **Science:** This section covers biology, chemistry, and physics.
- **History:** This section covers British history, world history, and geography.

Each section is divided into units, and each unit is divided into lessons. The lessons are short and easy to follow, and they are designed to be fun and engaging.
