Max and Zoe were best friends. They played together every day and always had each other's backs. They were like two peas in a pod, and they were inseparable.

One day, Max and Zoe were eating lunch in the cafeteria when a bully came up to their table. The bully was bigger than Max and Zoe, and he was mean. He started to pick on Max, calling him names and making fun of him.

Max didn't know what to do. He was scared of the bully, and he didn't want to fight him. But Zoe wasn't afraid. She stood up to the bully and told him to leave Max alone.

The bully laughed at Zoe. He said she was just a little girl, and he could beat her up if he wanted to.

But Zoe didn't back down. She stood her ground and looked the bully in the eye.

"You can't beat me up," Zoe said. "I'm not afraid of you."

The bully was surprised. He had never met anyone who stood up to him before. He didn't know what to do.

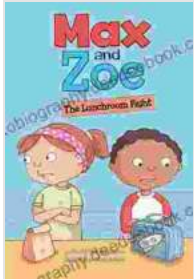

Max was also surprised. He was amazed at how brave Zoe was. He knew he could count on her, no matter what.

The bully finally backed down. He realized that Zoe wasn't going to let him bully Max, and he didn't want to get into a fight with her.

Max and Zoe were so happy that the bully had gone away. They hugged each other and thanked each other for being there for each other.

Max and Zoe's story is a reminder that bullying is never okay. It doesn't matter how big or strong the bully is, no one deserves to be bullied. If you see someone being bullied, don't be afraid to stand up to the bully and help the person who is being bullied.

Max and Zoe are an example of true friendship. They always have each other's backs, and they never give up on each other. They are a reminder that we can all make a difference in the world, no matter how small we are.
