Stone's book is a fascinating read for anyone who is interested in London, whether they are a first-time visitor or a long-time resident. Stone writes about the city's history, culture, and people, and she offers her personal insights on everything from the best places to eat to the most interesting places to visit.

One of the things that makes Stone's book so engaging is her sense of humor. She is able to find the funny side of even the most mundane things, and she is not afraid to share her opinions. For example, she writes about

how she was surprised by the number of people in London who don't know how to drive. She also talks about how she has had to learn to adjust to the British sense of humor, which she describes as "dry" and "sarcastic."

Stone's book is also full of useful information for visitors to London. She provides tips on everything from how to get around the city to where to find the best deals on food and accommodation. She also includes a number of suggested itineraries for different types of travelers.

Whether you are planning a trip to London or you are just interested in learning more about the city, I highly recommend reading 'Notes From An American Tour Guide.' Sheila Stone's unique perspective and engaging writing style make this book a must-read for anyone who wants to get a deeper understanding of London.

Here are some of the things you will learn from Sheila Stone's book:

- The history of London, from its Roman origins to the present day
- The culture of London, including its arts, music, and food
- The people of London, including their customs and traditions
- The best places to visit in London, from the iconic landmarks to the hidden gems
- The best places to eat in London, from the Michelin-starred restaurants to the street food stalls
- The best places to stay in London, from the luxury hotels to the budget hostels

- The best ways to get around London, from the Underground to the buses
- The best tips for saving money in London

If you are looking for a book that will give you a deeper understanding of London, then I highly recommend reading 'Notes From An American Tour Guide.' Sheila Stone's unique perspective and engaging writing style make this book a must-read for anyone who wants to get the most out of their visit to London.
