## Getting Started

Before you get started, you'll need to gather a few things:

- A guitar
- A guitar tuner

- A copy of the guitar chords and tablature for the song you want to play

Once you have everything you need, you can start learning how to play One Direction songs on guitar.

## **Guitar Chords**

The first step to learning how to play One Direction songs on guitar is to learn the basic guitar chords. The following are the most common chords used in One Direction songs:

- C major
- G major
- D major
- Am
- F
- Em

You can find diagrams for these chords online or in a guitar chord book. Once you've learned the basic chords, you can start practicing the strumming patterns for One Direction songs.

## **Tablature**

Tablature is a system of notation that shows you where to place your fingers on the guitar fretboard. It's a great way to learn how to play songs that you don't know the chords for. The following is a tablature for the song "What Makes You Beautiful" by One Direction:

```

e|-----| B|-----| G|-----
-----| D|-----| A|-----| E|0---0---0--
-0---0---0---0---0---|

```

The numbers in the tablature tell you which fret to place your finger on. For example, the number "0" means that you should play the open string. The "-" means that you should not play that string.

## Putting It All Together

Once you've learned the basic chords and tablature, you can start putting it all together and playing One Direction songs on guitar. The following is a step-by-step guide on how to play the song "What Makes You Beautiful":

1. Tune your guitar to standard tuning.
2. Learn the guitar chords for the song.
3. Learn the tablature for the song.
4. Practice strumming the chords and tablature together.
5. Sing along to the song as you play.

Learning how to play One Direction songs on guitar is a fun and rewarding experience. With a little practice, you'll be able to impress your friends and family with your musical skills. So what are you waiting for? Grab your guitar and start playing!
