Rise Of The Witch: Witch Of The Federation 14 is a popular anime series that follows the story of a young witch named Elaina as she travels the world and encounters a variety of people and experiences. The series is known for its beautiful animation, heartwarming stories, and complex characters.

In the fourteenth episode of the series, Elaina arrives in the Federation of Asvarre, a country that is known for its advanced technology and strict social hierarchy. Elaina is immediately drawn to the country's capital, Lunaria, where she meets a young woman named Saya. Saya is a member of the Federation's elite guard, and she is immediately fascinated by Elaina's magic. Elaina and Saya quickly become friends, and Saya introduces Elaina to the Federation's culture and customs.

However, Elaina soon discovers that the Federation is not as perfect as it seems. The country is ruled by a tyrannical dictator, and the people are living in poverty and fear. Elaina is determined to help the people of the Federation, but she knows that she will have to be careful. If she is caught speaking out against the dictator, she will be arrested and executed.

Elaina uses her magic to help the people of the Federation in secret. She heals the sick, feeds the hungry, and protects the weak. However, the dictator's forces are always on the lookout for dissidents, and Elaina knows that she will eventually be caught.

In the end, Elaina is captured by the dictator's forces and sentenced to death. However, before she can be executed, Saya and her friends rescue her. Elaina and her friends then escape from the Federation and travel to a new country, where they can live in peace.
