The chicks are all very young and they are obviously scared. Hank and Drover ask the chicks what happened, but the chicks are too young to talk.

Hank and Drover decide to investigate the disappearance of the chicks. They talk to the other animals on the ranch, but no one seems to know what happened to the chicks.

Hank and Drover eventually track down the culprit: a sly fox named Sly. Sly has been stealing the chicks and taking them back to his den.

Hank and Drover confront Sly and demand that he return the chicks. Sly refuses, so Hank and Drover have to fight him.

In the end, Hank and Drover are victorious and they return the chicks to their mother.
